ARTICLE III

GRIEVANCE PROCEDURE

A. DEFINITIONS

1. Grievance

"Grievance is a claim by a teacher or the Association based upon the interpretation, application or violation of the Agreement, Board policies or Administrative decisions affecting terms and conditions of employment.

2. Aggrieved Person

An "aggrieved person" is the person or persons or the Association making the claim.

3. Party of Interest

A "party of interest" is the grievant(s) or association making the claim and any person, including the grievant(s), association, board, or its agent who might be required to take action or against whom action might be taken in order to resolve the claim.

B. PURPOSE

1. The purpose of this procedure is to secure, at the lowest possible level, resolution to differences concerning the rights of the parties regarding the terms and conditions of employment of teachers as will be defined by law. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. PROCEDURE

1. Time Limits

Since it is important that grievances be processed as rapidly as possible, the number of school days indicated at each level is a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. Year-End Grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Waiver of Grievances

Any grievance shall be deemed waived unless it is submitted in writing under the terms of C.4.b. below within twenty (20) school days after the aggrieved party(ies) knew or should have known of the event or conditions on which it is based.

4. Level One-Principal

a. Any teacher or group of teachers who has a grievance shall discuss it first with the principal in an attempt to resolve this matter informally at that level.

b. If, as a result of the discussion, the matter is not resolved to the satisfaction of the teacher, the teacher shall, within five (5) school days of the informal discussion, set forth his grievance in writing to the principal. The principal shall communicate his decision to the teacher in writing within ten (10) school days after the principal's receipt of said complaint.

5. Level Two-Board of Education

a. If the grievance is not resolved to the teacher's satisfaction, he may request a review by the Board of Education within ten (10) school days after receipt of the principal's communication. The request shall be submitted in writing through the principal who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance, hold a hearing with the teacher if requested, and render a decision in writing within ten (10) school days.

6. Level Three-Arbitration

a. If the aggrieved teacher is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Board of Education and the grievance alleges a violation of the terms of this Agreement, only then he may, within ten (10) school days after the decision by the Board of Education or fifteen (15) school days after the decision was delivered to the Board of Education, request in writing that the Association submit the grievance to arbitration within ten (10) school days after receipt of the request by the aggrieved person.

b. Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association.

c. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association, and shall be final and binding.

d. The cost for services of the arbitrator, including per diem expenses, if any, and actual or necessary travel, subsistence expenses and the cost of the hearing room shall be born equally by the Board and the Association.

D. RIGHTS OF TEACHERS TO REPRESENTATION

1. Teacher and Association

Any aggrieved person may be represented at all stages of the grievance procedure by himself, or at his option, by a representative selected or approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and state its view at all stages of the grievance procedure.

2. Reprisals

Both parties understand and agree that reprisals of any kind are not permitted and shall not be taken by the Board or any member of the administration against any party in interest, any representative, any member of the association or any other participant in the grievance procedure by reason of such participation.

E. MISCELLANEOUS

1. Group Grievances

If, in the judgement of the Association, a grievance affects a group or class of teachers, the Association may submit such grievances through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

No tenured or non-tenured teacher shall be barred from returning to work after a medical disability leave on the grounds that not enough time has elapsed during the recovery time. Nothing contained in this paragraph shall be construed to preclude the Board from requiring any teacher to produce a certificate from a physician showing that said teacher is capable of teaching, provided that is, the Board's physician is in disagreement, that conflict of medical opinion shall be resolved in the same manner as is set out in paragraph B-1-b-(iii), of this Article.

Applications for leave are subject to the approval of the principal. All benefits to which a teacher was entitled at the time his leave of absence commenced, including unused accumulative sick leave, shall be restored to him upon his return and every effort shall be made to assign to the same position which he held at the time said leave commenced. All extensions or renewals of leaves shall be applied for in writing. If the Board approves such application, the teacher shall be notified in writing.

3. The Board need not grant or extend the leave of absence of any non-tenured teacher beyond the end of the contract school year in which the leave is obtained.
